Warrant for Town Meeting

(L. s.) STATE OF NEW HAMPSHIRE

To the inhabitants of the town of Danbury, N. H., in the county of Merrimack in said State, qualified to vote in town affairs.

You are hereby notified to meet at the Town Hall in said Danbury on Tuesday, the tenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1 To choose all necessary Town Officers for the year ensuing.

2 To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation for the same.

3 To see what sum of money the town will vote to raise and appropriate for the maintenance of highways.

4 To see what sum of money the town will vote to raise for control of white pine blister rust.

5 To see if the town will vote to raise the sum of two thousand dollars for State Aid Construction.

6 To see if the town will vote to raise the sum of seventeen hundred and seventy dollars for Trunk Line Maintenance.

7 To see if the town will vote to give a discount on taxes paid before July 1, 1925.

Given under our hands and seal this 13th day of February, in the year of our Lord nineteen hundred and twenty-five.

EDWARD A. FARNUM, } Selectmen
WALTER F. RUSSELL, } of
Danbury.

A true copy of warrant—Attest:

EDWARD A. FARNUM, } Selectmen
WALTER F. RUSSELL, } of
Danbury.

Superintendent's Report

To the School Board and the Citizens of the Danbury School District:

I hereby submit my sixth annual report as Superintendent of your schools. The statistical table and the honor roll of attendance are for the year ending June 30, 1924.

The only teacher retained from last year was Mrs. Sadie Taylor at South Danbury. At the Center is now Miss Eda Clow of East Wolfboro, a high school graduate with one summer at Plymouth Normal School and four years of experience; at the North Road Miss Ellen Hines of Grafton, a graduate of Proctor Academy, with one summer at Keene Normal School and one year's experience; and at Elmwood Miss Elizabeth Merrell of Westminster, Vt., a high school graduate with two summer sessions at Keene and one year's experience.

Of our pupils completing the 8th grade last year, Ruby Lynch and Roy Ford went to Canaan High School, Dorothy Williams to the Girls' Latin School in Boston, Philip Robinson, Doris Wells and Erma Evans to the Franklin Junior High. Since Franklin is now organized on the Junior High basis, pupils from our eighth grades are obliged to enter the eighth grade there, thus taking five years instead of four for graduation from high school.

The attendance last year was good, being 93 per cent, and the average attendance for the year was a little more than 19 per cent higher than the average for the preceding four years. This is a pleasing gain in numbers. There were more visits by parents than in any previous year, which is an indication of increasing interest.

Standard tests in various subjects were given to grades 3 to 8, and intelligence tests to grades 1 to 8.

The medical inspection was made by Dr. Knapp. In the fall we had the help of a nurse for three visits to

clean up cases of skin disease. There are several bad cases of tonsils and adenoids which are retarding school progress and seriously impairing health and mentality. Of 63 pupils examined 33 have bad teeth.

There should be a dental clinic held right here in town in order that children's teeth might be put into good condition with the least possible expense to parents. The 11 cases of bad tonsils could easily be taken care of in the same way if a throat and nose clinic could be held here. This has been done in many towns, not through use of school funds, but often by cooperation of local societies, clubs or other organizations, with the school physician or nurse and the parents.

Minor repairs have been well kept up in our buildings this year and none of the new wall board and ceilings have been painted, making a great improvement in the appearance of the rooms. The recommendation for a better heating arrangement at the Center may well be repeated. The stove is worn out and is at best not adapted to heating the room in severe weather. It ought to be replaced by a box stove with jacket, or much better, by a Waterman-Waterbury or a Smith heater, either of these being so made as to heat by circulation, not by radiation.

As I write this final report I want to express my gratitude for many courtesies received from school officers and teachers, and to bespeak for my successor the same co-operation that I have received.

Respectfully submitted,
IDELLA K. FARNUM,
Superintendent of Schools,
Supervisory Union No. 1.

Perfect Attendance

Three Terms: Harry Flanders, Natalie Sargent.
